ROKEBY100

Rokeby100 is a modern industrial blank canvas event space in the heart of Collingwood. Minutes from Smith Street, and a stone's throw from great public transport facilities, the site is versatile and lends itself to most any event.

Our full container height roller door allows for easy unloading and setup. Natural light flows from the skylights, and at night the lighting changes to a customised lighting system.

Our internal PA system and LED screen are available for presentations with sound capability as well.

The venue comes with two spaces: our indoor space and a semi-outdoor area with roller door to let the light flood in or close for a cosy feel. Whether you are looking for a space to host a company anniversary, celebration or launch, we have got a venue that works for any corporate function.
